## Board Voted: 5% Interest Rebate 2021

The Credit Union strives to be your choice when it comes to your financial needs. Each year the 5% interest rebate is voted upon by the board of directors. Since the pandemic began, our lending portfolio has declined; interest rates

have went down so our investment income has also declined. Due to those two things and a few other factors we are unable to pay the 5% interest rebate for 2021.

If you are looking for any auto

This year we have 2 open positions for the Board of Directors. All positions are 3 year terms.

The Board of Directors helps direct the Credit Union as well as implements policies and rates for our loans and savings accounts. If you would like more information on how to become a board member please contact Emily or Sarah in the credit union.
